Filming The principal photography for the film began on 9 May 2016 and it was shot in various cities, like, Hyderabad, Mumbai and Coimbatore in India. Release The film released on 25 October 2016. Reception Critical reception Bharath Bhushan of The Hindu wrote "With a far more relevant storyline and characterisation, Dictator could have easily emerged as a winner, but a fault too many in a cliched screenplay and a major flaw in execution has made it a jaded, by-the-numbers affair". Another reviewer noted "the role of the villain is not as good as the hero, the screenplay also does not offer any exciting moments, it has one track mind, this might not help the matter, but it does not make the movie an enjoyable watch". Box office The film had a great opening, making from the domestic gross. References External links Category 82157476af
